# San Marco

A family of rugged yet luxurious seating that puts the finishing touch to any office style. Sturdy hardwood framing and arms provide strength as well as the richness of wood. Strong five-prong steel swivel bases are capped with matching hardwood for beauty. Available in different finishes and a variety of fabric colors to coordinate with any existing office furniture. The premier office seating that executives, managers and guests long for!

Come see what Luxury  
can truly mean!  
Available now from  
Michigan State  
Industries
